Word file attachment to info@mosbymuseum.org or by mailing to: The John S. Mosby Museum Foundation; P.O. Box 146; Warrenton, VA 20188. All questions may be directed to the Foundation Office at 540-351-1600.

Each participant organization with animals used in the parade or displays is responsible for cleaning up after their animals. This should include a person to scoop up manure along the Parade Route during the actual parade procession.

Parade participants will form up beginning at 1:00 PM for the 2:00 PM Start Time. Please note streets behind the Old Courthouse for parade participants to form up by organization time period to be depicted: American Indian, Revolutionary War and 18th Century organizations will form up on ASHBY STREET; 19th Century and War Between the States organizations will form up on HOTEL AND COURT STREETS; 20TH Century organizations will form up on CULPEPER STREET (between Lee and Main Street section); All antique tractors; antique cars and trucks; and antique police, fire and professional vehicles through 1966 will form up on KEITH STREET and will proceed last in the parade Grand Review. No vehicles after 1966 please. Parade dispersal will occur after passing the Spilman-Mosby House. Loading of horse and animal trailers may take place at the Warrenton Public Works Building parking lot location in the 300 Block of FALMOUTH STREET upon dispersal of the parade.

Due to the historic nature and theme of the Main Street Parade, we ask all organizations wishing to tow a float or display in the Main Street Parade to make every effort to secure a vintage antique tow vehicle or tractor to be used in the Grand Review, as we wish to avoid modern vehicles wherever possible. If necessary, a modern tractor is preferable to a modern car or truck tow vehicle.

THE JOHN SINGLETON MOSBY MUSEUM FOUNDATION GREATLY APPRECIATES YOUR INTEREST AND PARTICIPATION.
